NEVER-ENDING-EVER-THINNING-MULTI-ADJUSTABLE-POKING-DEVICE 4.0

Smaller than a pin, or longer than a bus. The possibilities are endless. Once you have one, you'll never be without it. Includes a built-in balance charm for tightrope walking!

INVENTOR: *Sidney Tummult*

LIFETIME GUARANTEE INCLUDED

PLEASE NOTE: *Version 3.0 of this product has been recalled due to risk of ingestion. If you suspect you may have accidentally swallowed or inhaled your Never-Ending-Ever-Thinning-Multi-Adjustable-Poking-Device, we recommend consulting a physician immediately.*

EVER-ENCHANTING-SEASONAL-WRAPAROUND-FORESTSCAPE

Take the forest with you wherever you go... Sold by the roll (3m x 3m) this wallpaper provides an ever-changing backdrop for your everyday activities. Wake to the sound of birdsong, watch squirrels bury acorns and retrieve them during snowy months, pick your own chestnuts and keep an eye out for bluebell season.

INVENTOR: *Winnifred Potts*

NOTES: *This product runs on a 365 day/night time-loop based on your location.*

NEVER-ENDING-NOISE-NUISANCE-MAKERS

This classic practical trick never grows old (until it does). Thanks to their irremovable batteries, our noisemakers provide three and a half months' worth of continuous hullabaloo. Please note we do not accept responsibility if the batteries last longer than estimated.

INVENTOR: *Timothy Flich*

NOTES: *This is a restricted item for magical post and will be delivered via special courier.*
